

# CHOICES! THE GOOD SAMARITAN

Jesus told this story to show that we should make good choices and be kind to other people.

*A Jewish man was going down a lonely road from Jerusalem to Jericho. Suddenly robbers jumped out from behind a rock. The robbers took the man's money and his clothes and hurt him so badly that the poor man couldn't move. He lay there for what felt like hours and hours.*

*Then he heard footsteps - a priest was walking along the road. "Help at last," he thought. But the priest walked on by without helping.*

*He lay there for a long time and then he heard more footsteps. This time a Levite was coming towards him. "Surely he will help me," thought the injured man, "He's a Levite, he works in the Temple, he'll definitely help me". But the Levite walked past him too. The sun was beating down and it was getting hotter and hotter.*

*Then a Samaritan came along the road. "Oh no!" The injured man thought, "A Samaritan will never help a Jewish person." But the Samaritan rushed over to help. He bandaged the man's cuts and gave him a drink of water. Then he put the man on his donkey and took him to an inn. He paid the innkeeper to take care of the man. Then Jesus told the people, "Go and be like that good Samaritan."*

BEFORE	AFTER
	

Colour in the man when he was injured in the BEFORE box and then when he was better in the AFTER box.

Names of people who have helped **you** \_\_\_\_\_

Names of people **you** have helped \_\_\_\_\_

If you have helped someone who was hurt or upset perhaps you could tell the story to someone in your family. Tell them how you think you were a real friend, just as Jesus wants us to be.

**Prayer**  
Thank you, God for the people who help me. Thank you for the stories in the Bible that help me to make good choices. Help me to be a person who helps others, just like the good Samaritan.  
**Amen.**

Perhaps you could stick a plaster to yourself to remind you to be a person who helps others.

Join the dots to find out who is helping the injured man.

## LOO ROLL TUBE ELEPHANT - Template on next page

<https://theimaginationtree.com/milk-jug-elmer-elephant-craft/>

Paint three loo roll tubes or cover in coloured paper.

Stick two of the tubes together and stick one on top. You might need to let the glue dry. The tubes may need a little bit of sticky tape to hold them together.

Cut out and decorate the toes and stick them to the bottom of the legs.

Cut out and decorate two ears, two eyes, a tail and a trunk. (You can use paper or card.)

Colour in the trunk and stick to the front of the loo rolls.

Stick the tail to the back of the elephant.

Stick the eyes above the trunk - or use googly eyes if you have them.

Push the ears into each side of the loo roll.

You can glue them or use a bit of sticky tape to keep them in place.

## PLASTIC MILK BOTTLE ELEPHANT

<https://simplecraftidea.com/how-to-make-elephant-from-rolls-of-toilet-paper/>

You can use any size of plastic milk bottle.

Use the milk bottle top if you want to.

### ASK AN ADULT TO DO THIS PART

Cut the bottom off a plastic milk bottle.

Cut a half circle out of each side of the bottom of the bottle to make four elephant's legs.

Trim the handle to make the trunk a little shorter.

This is quite messy - use newspaper to cover your work area!

Cut scraps of paper into small shapes and stick them all over the elephant using PVA glue.

Draw and cut out some eyes from white paper (or use googly eyes if you have them) and stick to the head.

If you are using the milk bottle top you can paint or decorate it - I wrapped mine in silver foil.

Cut out the ears and tail. You can use coloured paper or use white paper and decorate them.

Stick the ears on either side of the trunk and the tail at the back.

Cut out the tusks from white paper or card and stick them on either side of the trunk.

EARS

TAIL

TUSKS
