YOU'VE GOT TALENT!

God gives us all talents and he wants us to use them wisely and for him.

A man decided to go on a long trip, so he asked his servants to take care of his house and his money. The man decided to give one servant five Talents of money (about five million pounds), to another he gave two Talents (two million pounds) and to the last servant he gave one Talent (one million pounds). He gave each servant as much as he thought they would be able to look after. The man left on his trip and the servants each did something with the money they had been given. The man with five Talents went right away and used his money and got five more! The man with two Talents also used his money wisely and he ended up with two more. But the man with one Talent took it and buried it in the ground. He didn't even try to do something with it. After a nice long trip the man came back and wanted to know what his servants had done with his money. The first man with five Talents said, "You trusted me with five Talents and I made five more for you!" His master smiled and replied, "Great job, good and faithful servant!" Then the man with two Talents came and said, "You trusted me with two Talents and I made two more for you!" His master smiled and replied, "Great job, good and faithful servant!" Then the man who received one Talent came to his master and said, "I know you work hard for your money, so I was afraid to lose any of it. I decided to bury it and keep it safe. Here is your one Talent back." The master was not impressed and said, "You lazy servant!" He took the Talent away from the man and gave it to the first man who had used his master's money wisely.

ONE OF MY TALENTS IS

I CAN USE IT TO

God already knows all these things about you, he knows what you like and what you're good at.

God wants us to USE what we are good at, not just hide our talents away like the third man in the story.

If we use our talents in the best way we can, it will please God and help other people too.

Let's think of ways we can know God better

- Praying and reading the Bible or Bible stories
- Going to church or Zoom services
- Talking to other people about God
- Going to Bible Club if there is one at your school

PRAYER

Thank you that you know all about us. Thank you that you speak to us and want us to listen to you. Even if you don't speak to us in a voice we can hear, we can read your words in the Bible or listen to other people talking about you. Help us to learn more about you and to use our talents wisely for you.

AMEN
