Memory verse

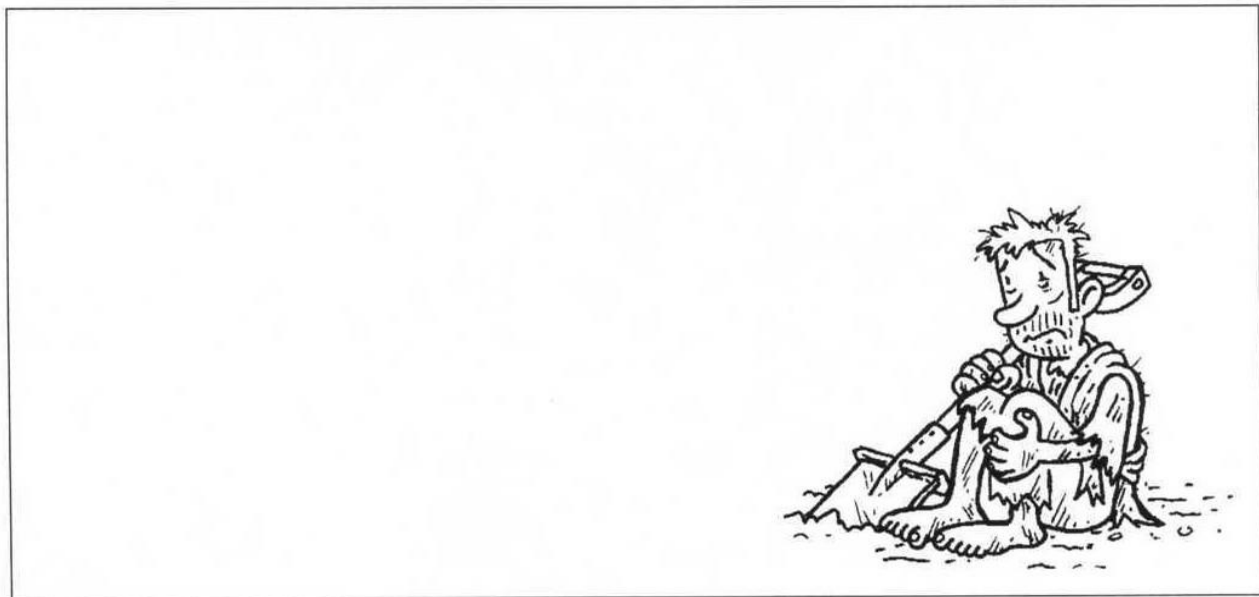

The Lord is gracious and compassionate, slow to anger and rich in love.

PSALM 145:8

Colour in the picture of the father and son. Draw the happy face on the father when his son returns home.

Complete the picture to show where the son ended up before deciding to go home.

FORGIVEN - THE LOST SON

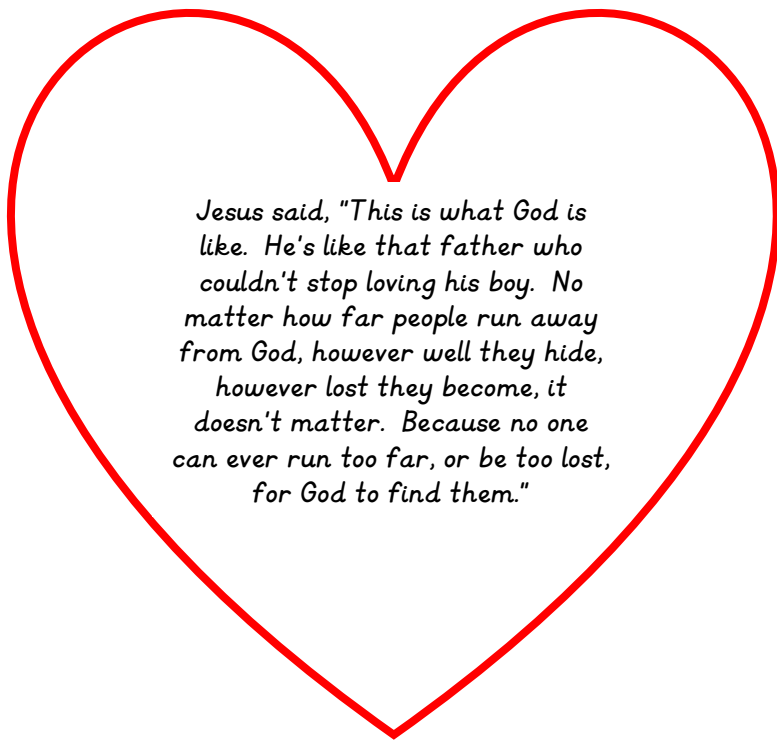

A father and his two sons live and work together on their farm. The father loves his sons very much.

The younger son decides to take his share of the family money and go off to a far -away place. He's fed up of working on the farm, he wants to have some fun!

Soon the younger son has spent all of his money, his friends have left him and the only job he can get is looking after pigs. Even the pigs have better food than he does!

He is so hungry, he decides to go home to ask his father if he can work on the family farm again, even though he knows he doesn't deserve it. Before he even gets there, his father has seen him and runs to meet him.

The father is so pleased to see him that he gives him new clothes and throws a big party. He loves his son so much that he forgives him for everything and welcomes him home.

Jesus said, "This is what God is like. He's like that father who couldn't stop loving his boy. No matter how far people run away from God, however well they hide, however lost they become, it doesn't matter. Because no one can ever run too far, or be too lost, for God to find them."

**God will always forgive us.
Try and describe it or draw a face
to show how it makes you feel.**

Perhaps you can think of something that you have done and would like to say sorry for.

Prayer

Thank you, God, that we should never be afraid to ask you to forgive us.

I'm sorry when I make wrong choices.

Thank you that you will always love me, no matter what.

Amen

WE SHOULD NEVER BE AFRAID TO ASK GOD TO FORGIVE US
